

# The Friends of Alde Valley Academy

---

The school has an active association called The Friends of Alde Valley Academy.

The aims of the group are:

- To give opportunities for closer co-operation between parents, friends, staff, home and school,
- To provide the opportunity for parents, friends and staff to work together on projects that enhance and develop the school and the welfare of the students,
- To fundraise to provide much needed items which are not supported by the budget.

Every parent is automatically a member but, if you would like to be more involved with the organisation, please contact the school office who will be pleased to pass your details onto the committee. Our small but enthusiastic committee is currently Susan Robinson, Sandra Harle, Viv Marshall and Jo Baker. We would welcome new members with new ideas, please contact the above members via the school office.
