Dear Parent / Carer,

I am writing to you today with important news about your school's future.

The new Trustees of the Board of the Bright Tribe Trust, the current sponsor of Alde Valley Academy, have voted unanimously that the academy should be rebrokered to a new sponsor.

I hope that you agree with me that this is a very positive step and an opportunity for the school to start afresh.

The Regional Schools Commissioner and the Department for Education will work closely with the Trust's and your school's leadership to identify and decide the new multi-academy trust that will sponsor the school.

This new trust will provide the expertise, support and stability so that the academy is run successfully.

I am acutely aware that students and staff at Alde Valley Academy have not been supported as they should have been by Bright Tribe, which has been under interim executive leadership and a new Board since last month. I am working as interim Chief Executive Officer alongside the new interim Chief Operating Officer, Lee Miller.

Please be assured that my team and I are fully committed to supporting the school during the rebrokering period, and that we will continue to make every decision in the best interests of your child and their fellow pupils.

We will ensure you are kept updated on progress.

Yours sincerely,

Angela Barry
Interim Chief Executive Officer
